

PhD Day 2019

Friday 25 January - all day followed by an evening party

**Dear PhD students, Research Year students,
Research Honours Programme students and supervisors**

The annual PhD Day will be held on **Friday 25 January 2019**.

The theme of the day will be: **"Excel, Explain and Excite"**.

The PhD Day will include exciting talks from excellent speakers, flash talks, poster and oral presentations, the Fogh Nielsen Prize competition, the JCD Prize and the well-renowned evening dinner party. This year, the dinner will be held at Centralværkstedet, Aarhus C.

As the PhD Day is the annual meeting point for all PhD students, everyone is expected to participate:

- First year PhD students, Research Year students and Research Honours Programme students are invited to submit an abstract and present a poster or a flash talk.
- Second year PhD students are requested to submit an abstract and present a poster.
- Third year PhD students are requested to submit an abstract. Students will be selected for either oral presentation or as co-chairman on a poster or an oral session.

All supervisors are invited to participate in the PhD Day, and to contribute as chair for an oral or a poster session.

The online submission of abstracts will be open from **15 September 2018**, and the deadline for submission of abstracts is **1 November 2018**.

Once you have submitted your abstract, you are automatically signed up for participation in the PhD Day. PhD Day is a mandatory part of the PhD programme at Health. It is expected that all PhD students participate in PhD Day at least twice during the enrolment period.

The Organizing Committee is looking forward to seeing you all. We hope for your support to make this a very special event.

Sincerely,

Helene Nørrelund,
Head of Graduate School

Vibeke E. Hjortdal,
Chair of the Organizing Committee

Gitte Vrelits Sørensen,
Chairman of the PhD Association

Sebastian Udholm,
Co-chair of the Organizing Committee

HE PhD Administration
